

Industrial Automation & Controls Specialists

Industrial Parts Supplier • Sourcing Partner • Technical Support

WHY ENICSTRA

01

Broad Line, One PO

Access 200+ leading manufacturers through a single trusted partner.

02

Application Engineering

Technical guidance on selection, cross-referencing, and system design.

03

Responsive Sourcing

Hard-to-find, obsolete, and long-lead items sourced globally.

04

Competitive Pricing

Strong supplier relationships and volume programs for OEM & MRO.

05

Order Accuracy & Follow-Through

Careful order handling, proactive updates, and expediting when timelines are tight.

Who We Are

Enicstra is an industrial parts supplier and sourcing partner for automation and controls, headquartered in St. Louis, Missouri. We help OEMs, integrators, and MRO teams across North America source components, subsystems, and hard-to-find parts from over 200 leading manufacturers — backed by application engineering support, responsive sourcing, and reliable fulfillment.

Product Categories

PLCs & HMI

Programmable controllers, operator interfaces, industrial PCs, edge computing

Sensors & Vision

Photoelectric, proximity, ultrasonic, laser, machine vision, encoders

Pneumatics & Fluid

Valves, cylinders, fittings, tubing, air prep, vacuum, flow control

Electrical & Power

Circuit protection, contactors, relays, power supplies, terminal blocks, UPS

Enclosures & Panels

Enclosures, thermal management, panel-build components, wire management

Drives & Motors

AC/DC drives, servo systems, VFDs, gearmotors, stepper and servo motors

Motion Control

Linear guides, ball screws, actuators, bearings, couplings, timing belts

Safety & Machine Guarding

Light curtains, safety relays, e-stops, interlocks, safety controllers

Cable & Connectivity

Industrial cable, connectors, cordsets, ethernet, fieldbus, IO-Link

Test, Measurement & Tools

DMMs, calibrators, thermal imagers, precision hand tools, workstations

Industries Served

OEM Machine Builders

Industrial Manufacturing

Food & Beverage

Packaging & Converting

Automotive & Tier Suppliers

Chemical & Petrochemical

Power Generation & Utilities

Water & Wastewater

Pulp, Paper & Printing

Life Sciences & Pharma

Warehousing & Material Handling

Systems Integrators

Need a quote or a cross-reference?

Send your RFQ or part list — we'll get back to you within one business day.
